

To Missouri Youth Soccer Association;

With this letter I would like to announce that I am running for the position of Secretary at the upcoming Missouri Youth Soccer Association's Annual General Meeting, scheduled for Saturday, January 28, 2017. I currently have had a very active involvement with the soccer community, including coaching at the club level, coaching ODP and club administrative responsibilities.

My interest in running for the Secretaries position is to help continue the growth and success that Missouri Youth Soccer Association has fostered in recent years with youth soccer throughout the state of Missouri. I believe with my business background and the multitude of soccer relationships that have been built over the past twenty plus years, we can continue to improve and maintain our excellence in soccer programs for all of our registered members.

I would like to ask for your support and involvement in the organization by supporting me in this endeavor and voting for me for Secretary at the upcoming election.

Respectfully,

Robert Wilkinson
