

To Missouri Youth Soccer Association;

With this letter I would like to state that I am running for the position of "Member at Large" at the upcoming Missouri Youth Soccer Association's Annual General Meeting, scheduled for Saturday January 24, 2015, in Columbia.

I have had a long history of involvement with Soccer at the youth level including playing the game myself as a child, in high school and through college, professional and with the US National Team.

My interest in running for the Member at Large position is to help the Missouri Youth Soccer Association ultimately obtain their goal in successfully fostering youth soccer throughout the state of Missouri. I believe with my background and relationships throughout the community I can help the board bring unity to the membership, not only in one particular area of the state but to the entire state.

I would like to ask for your support and involvement in the organization by supporting me in this endeavor and voting for me for the Member At Large position at the upcoming election.

Respectfully,

Steve Pecher
